

# Welcome to VIRTUAL VBS!!

VBS may look different this year but we plan on incorporating all of our usual activities! We will be using the virtual VBS program called FOCUS. Virtual VBS will be presented on a private Facebook page managed by Leia Graham & Candace Churchman. For safety reasons, access to this page is by invitation only after receiving your completed registration form and Leia & Candace will be the only ones allowed to add members and approve content. If you have any questions, please contact:

Leia Graham (318) 541-3257 or Candace Churchman (318) 332-9325
